I acknowledge and understand that participation in riding, hiking, hunting and fishing have inherent risks, hazards, and dangers for anyone that cannot be eliminated, particularly in a wilderness environment. I understand that these **risks, hazards, and dangers include the risk of physical injury from:**

I fully understand the risks, hazards, and dangers described above and have had the opportunity to discuss them. I **understand that these activities may require good physical conditioning and a degree of skill and knowledge. I have that good physical conditioning and the degree of skill and knowledge necessary for me to engage in these activities safely.** I understand that I have responsibilities for my own safety and to follow any instructions from BBA with regard to these activities.

BBA will only furnish services to the undersigned on the terms set forth below, whereby the undersigned must bear the risks of any such injuries and damages, rather than BBA. These are voluntary activities and will only be done on these terms. Therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned hereby releases, indemnifies and agrees to hold harmless BBA and its owners, employees, agents and affiliates from and against any and all claims and liabilities against any of them, and related expenses (including reasonable attorney's fees), directly or indirectly relating to or arising out of any such recreational activities, in the absence of willful misconduct on the part of BBA.

This agreement will remain in full force and effect so long as BBA provides any such recreational activities, and the releases and indemnities set forth herein shall remain in full force and effect as to any later claims relating to such activities. This is a valid and binding agreement which has been properly entered into by the undersigned.

The foregoing is signed with the understanding that its intent and purpose is to protect BBA from any suit by the undersigned, or on behalf of the undersigned by any other person claiming recovery for damage suffered by the undersigned; but that it is not intended to make the undersigned indemnitor of BBA should BBA be sued by a third person for injuries suffered by such person.
